

ENROLMENT POLICY

Out of School Hours Care (OSHC) Services provide high quality care for children before and after school, on pupil free days and during school holidays as Vacation Care programs. Enrolment and orientation can be both an exciting and an emotional time for children and families whether they attend only occasionally or on a regular basis. It is important to manage this time with sensitivity and support, building partnerships between families and the Out of School Hours Service. Such partnerships enable the Out of School Hours Care Service and families to work toward the common goal of promoting consistent quality outcomes for individual children and the Out of School Hours Service.

PURPOSE

We aim to ensure children and families receive a positive and informative enrolment and orientation process that meets their individual needs. We strive to establish respectful and supportive relationships between families and the Out of School Hours Care (OSHC) Service to promote positive outcomes for children whilst adhering to legislative requirements.

SCOPE

This policy applies to children, families, staff, management, approved providers, nominated supervisor, coordinators, and visitors of the Out of School Hours Care Service.

ENROLMENT

According to the Child Care Provider Handbook (May 2023) *‘enrolling children is a requirement under Family Assistance Law for all children who attend child care (or have an arrangement for care) regardless of their parent’s or guardian’s eligibility for Child Care Subsidy...An enrolment links the child, the individual claiming the subsidy and the child care service.’* An enrolment notice is required for each child attending the service. This reflects the type of arrangement that is in place between the provider and the family/individual or organisation.

IMPLEMENTATION

The *Education and Care Services National Regulations* requires approved providers to ensure their services have policies and procedures in place for enrolment and orientation (regulation 168) and take reasonable steps to ensure those policies and procedures are followed (regulation 170).

Our OSHC Service accepts enrolments of children who are formally enrolled in primary school.

Enrolments will be accepted providing:

- a) the maximum daily attendance does not exceed the licensed capacity of the Out of School Hours Care Service
- b) a vacancy is available for the booking required
- c) the adult to child ratio is maintained at the Out of School Hours Care Service

PRIORITY OF ACCESS GUIDELINES

ENROLMENT TRIAL PERIOD:

We are committed to providing a safe, nurturing, and stimulating environment for your child to learn and grow. Understanding the importance of finding the perfect service fit for your family.

All new enrolments are subject to a trial period of [2 weeks or equivalent] to ensure that the program meets the needs of the child and family. This applies to all enrolments at Kids United OSHC and is designed to support a smooth transition for the child into the OSHC setting, allowing both parents and staff to make informed decisions about ongoing enrolment.

Kids United OSHC reserves the right to terminate the enrolment agreement during or after the trial period if it is determined that the program is not a suitable fit for the child.

- A trial period will be offered if the enrolment has been completed in accordance with Kids United OSHC enrolment procedures and service capacity requirements allowing for the trial to take place.
- The trial will commence for a two-week period. During this time, the needs of the child will be assessed within the environment. This might include behavioural observations, adjustment to the routine, interaction with staff and peers.
- After the two-week trial period has finalised, a meeting will be held to discuss the child's needs and the transition period within the service.
- Either party may decide not to proceed with the enrolment during or after the trial period. We kindly request [notice period 48 hours] notice prior to the end of the trial period if parents choose not to continue.
- If deemed necessary, a trial period may be extended to assess the needs of the child within the service.
- Any risk to the safety of child or unacceptable behaviour displayed within the service may result in an unsuccessful trial period and the enrolment being terminated. Please refer to Kids United OSHC Behaviour Guidance Policy for further information.
- Kids United OSHC enrolment fees will be charged as per our payment of fees policy. Families will be responsible to pay a fee for each session of the child's attendance. Kids United OSHC is an approved CCS service, if eligible CCS can be applied.

THE PURPOSE OF THE TRIAL PERIOD:

- To introduce your child to our childcare environment, routines, and activities.
- To observe and assess your child's adjustment and comfort level in our setting.
- To establish open and effective communication between parents and childcare staff.
- To ensure the service can support the child's needs within the service environment.
- To deem the environment suitable to care for the needs of the child.

EXPECTATIONS DURING THE TRIAL PERIOD:

- Attendance: Your child is expected to attend the childcare according to the agreed schedule. Regular attendance is crucial for a meaningful assessment during the trial period.
- Feedback: We encourage parents to provide feedback and express any concerns or observations during the trial period. Regular communication will be initiated by our staff to discuss your child's adjustment and experiences.
- Assessment: At the end of the trial period, a meeting will be scheduled with parents to discuss observations, feedback, and decide on continued enrolment.

CONCLUSION OF THE TRIAL PERIOD:

Successful completion of the trial period does not automatically guarantee a spot in the service program; it will depend on the assessment of the fit between the child's needs and Kids United OSHC capacity to meet those needs effectively.

Successful applications are reviewed on a first-come, first-served basis, subject to availability and the services enrolment criteria. If a spot is available and the child meets the enrolment criteria, the family will receive an offer of enrolment. If no spots are available, the child will be placed on our waiting list.

CHILD CARE SUBSIDY

[Child Care Subsidy](#) (CCS) offers assistance to families to help with the cost of childcare for children aged 0-13 years. There are three factors that determine a family's level of CCS. These are:

- [Combined annual family income](#)
- [Activity test](#) – the activity level of both parents
- [Service type](#) – type of child care service and whether the child attends school

Documentation may be required such as Australian driver licence, Australian passport, foreign passport, Australian birth certificate, Australian Marriage certificate, Australian citizenship certificate

- Families are provided with a Customer Reference Number (CRN)
- Child Care Subsidy is paid directly to providers to be passed on to families as a fee reduction
- Families will contribute to their childcare fees and pay the Service the difference between the fee charged and the subsidy amount- generally called the 'gap fee'
- Families may also be eligible for [Additional Child Care Subsidy](#) depending upon their circumstance

COMPLYING WRITTEN ARRANGEMENT AND ADDITIONAL CHILD CARE SUBSIDY (ACCS) (CHILD WELLBEING) PROCEDURES

- The Provider and Parent must enter into an agreement regarding the planned arrangements for care of a child, this is called a *Complying Written Arrangement (CWA)* and is an agreement to provide care in return for fees.
- The CWA must be recorded, and the parent must confirm the terms of the agreement either electronic or hard copy and this must be kept by the provider.
- The CWA must include the following information:
 - the names and contact details of the provider and the individual(s)
 - the date the arrangement starts
 - the name and date of birth of the child (or children)
 - if care will be provided on a routine basis and if so, details about the days on which sessions of care will usually occur
 - the usual start and end times for these sessions of care
 - whether care will be on a casual or flexible basis (in addition to, or instead of, a routine basis)
 - details of fees charged under the arrangement (providers can reference a fee schedule or information available on their website), which the parties understand may vary from time to time.
- Where there are certain changes (fees or booked days) to the individual Complying Written Arrangements (CWA) for care between the provider and an individual, the provider must update the arrangement in writing, and the families are required to confirm the changes by signing the updated CWA.
- An enrolment notice must be submitted within 7 days following the signed CWA and enrolment acceptance.
- Once the provider submits an enrolment notice the family will be asked to confirm the enrolment through their myGov account.
- Parents can apply for ACCS (grandparent), ACCS (temporary financial hardship) or ACCS (transition to work) through Centrelink directly
- The provider can apply for ACCS (child wellbeing) through the CCS software or PEP for children identified at risk of serious abuse or neglect
- Our OSHC Service will ensure all ACCS applications are managed in line with the [Guide to Additional Child Care Subsidy \(child wellbeing\)](#) and [CCS Handbook](#)
- Once a child has been identified as 'at risk' the Service will check the ACCS eligibility requirements from the Guide to the ACCS (Child Wellbeing)

- If the Service deems the child is eligible for ACCS the service will submit an initial ACCS Certificate for a 6-week period
- The Service needs to provide a referral to an appropriate support agency in conjunction with the submission of an ACCS certificate
- If further ACCS (Child Wellbeing) is required following the initial 6-week certificate the service may apply for a Determination for a period of up to 13 weeks
- Following an application for an ACCS 6-week certificate the provider will abide by the requirement to make an ACCS (child wellbeing) referral to an appropriate support agency
- Following an application for an ACCS 12-week determination the provider will abide by the requirement that the application must be accompanied by evidence, dated less than 6 months old, or a statutory declaration that supports the provider's view that the child continues to be 'at risk'
- If the child continues to be 'at risk; after the initial 13-week determination, then the provider needs to lodge a subsequent determination application.

ENROLMENT RECORD KEEPING

Our *Record Keeping Policy* outlines the information and authorisations that we will include in all child enrolment records.

ON THE CHILD'S FIRST DAY

Consideration will be made to each family regarding the initial settling in period and strategies may be offered to assist in this transition- for example, organising a buddy in the same class to remind the child to attend OSHC on that particular day; notifying the child's classroom teacher that the child will be beginning OSHC on certain days.

- The child and their family will be welcomed to the Service upon drop off
- They will be greeted by one of the educators who will show them where to sign in and out, discuss what is happening within the Service, and show where children can store their personal belongings whilst attending Out of School Hours Care.
- Information about collecting their child at the end of the day will be discussed
- Management will ensure the orientation checklist has been completed and all required documents and information has been received from families.

CONTINUOUS IMPROVEMENT/REFLECTION

Our *Enrolment Policy* will be updated and reviewed annually in consultation with families, staff, educators and management.
